I like to be licked from the neck down to my private spot. If a guy can do that for me, then most likely he'll be getting breakfast in the morning. I really like foreplay because if I guy can turn me on before sex, then the sex will be more intimate and explosive. If he can't do that? Then he should get his butt out.

ahhh sweet revenge

Ashlee felt Louise's hands touch her body. They found her boobs and took hold of her nipples. She paused for a moment, tightening her grip on Ashlee's nipples.

Late one weekend night, I was visiting my ex-wife, Ashlee, and we were discussing our new romances. We had split about a year and a half ago, but lately we've been talking more, getting back to some of the things we found attractive in each other. Seems that a couple years ago all we could find was ugliness in the other person. Time definitely did help to mellow us out. That night Ashlee told me that she let her roommate's boyfriend, Evan, fuck, but that was supposed to be the end of their little affair. But, apparently her roommate, Louise, saw them and now she wants Ashlee to do something for her. Ashlee started to tell me how Louise played her cards. Apparently she had some things on her mind.

She told me that she was taking a bat when Louise walked in without knocking."Can't you see that I'm taking a bath!?!" Ashlee yelled out. Without hesitation, Louise asks "You know Joshua, right?" "Do you mean the guy at the coffee shop?" Louise nodded. She sat on the edge of the tub and put her hands on Ashlee's shoulder.

"And...?" Ashlee asked. Feeling a bit uncomfortable by her roomate's hands on her. Louise moved in closer and said: "Joshua has always found you very attractive. The other day he told me he really likes to get to know you better, but what I think her really meant was that we wants to get in your pants."

Ashlee looked at her and said: "I've got a boyfriend?" "Well, that didn't stop you from fucking my Evan, now did it." She hissed in Ashlee's ear. Ashlee began to sweat. So Louise really did see them. "What are talking about?" Ashlee pretended. Louise tightened her grip on Ashlee's shoulders. "I saw you two." Ashelle told her she was wrong and had no proof of it. "What would J.D. say if I told him about it and showed him the picture Evan took of the two of you fucking?" J.D is Ashlee's current man and an nice guy, having met him once ot twice. Ashlee now knew she was in trouble. Louise let her go, and put her hands into the bathtub's warm water. Ashlee felt Louise's hands touch her body. They found her boobs and took hold of her nipples. She paused for a moment, tightening her grip on Ashlee's nipples. "Stop that, Louise." she said in mild protest. But Louise did quite the opposite and pinched a little harder. Strangely, she got horny despite all her protests.

"What do you want from me? Ashlee asks grabbing Louise's arm in the water. "Let's not call it revenge, dearie, but I want some bed time with *your* man." Ashlee thought, that fucking bitch saw everything, now she wanted to do her boyfriend. Louise was turning Ashlee's nipples even harder. Ashlee didn't want to admit it, but she liked every second of it. "I don't care how you make him do that, just do it."

Suddenly, Louise let go and dipped one hand deeper finding Ashlee's pussy. Using a couple fingers to separate her pussy lips, she quickly inserted a finger into Ashlee's pussy. Louise slipped another couple fingers in and touched her engorged clit when she retracted from her wet pussy. Ashlee's legs shuddered. She was on the brink of cumming. Then Louise stood up and walked out of the bathroom. When the door closed, Ashlee let out a deep breath. She put her left hand on her clit, rubbed it and came almost instantly.

I couldn't believe my ears when Ashlee had told me that. "What do you think I should do?" she asked. "I really don't know." I responded. "Do you want to fuck the coffee dude? That would make two indescrepancies on your boyfriend.” I said. “I never really thought about him sexually, but he seems like a nice guy and I know, if I think about it, he has been checking me out when I go in.”

Ashlee looked me in the eye; she had a surprised look on her face. “Don’t tell me you’re seriously considering giving Louise what she wants.” But she has pictures of Evan and me. If he saw them, he’d really be hurt and that may be then of our relationship.” she said sadly. ‘What if I try to get them?” she sked. “I don;lt know how you’re going to get digital copies of her pictures unless you delete them from her computer. But then she probably took them with her cell phone and they’re on it and probably backed up by her phone company.” I said, trying to be realistic. “Besides, you don’t know who she may have already sent them to? I added.

After another couple hours, we came upon an idea that might work. Get Evan on our side. We told him about our little problem with Louise. He was quite irritated. But he quickly came up with a plan. “Think about this,” he said. “Suppose you (looking at me) and Louise got together. We could do the same to her, but with video.” he suggested. “Do you mean I should fuck her?” I asked, looking for clarity.

“It would be evidence.” he continued. “If she tries to blackmail you again, at least you’ll have something on her. Ashlee, you could threaten to publish it on the internet or on social network pages.”

Ashlee and I looked at each other. Her eyes begging me to do it. I agreed, not too reluctantly, I might add. Louise is a bit of a hottie. A sexy redhead with an occasional temper to match her firey looks. Later that night we would make arrangements for next weekend, when Louise would come over for her little fuck-fest. The premise was a party so Ashlee could fulfill her promise to Louise. Set for Saturday at the girl’s flat, about ten people were invited, including Joshu and our cast of fuckers.

Joshua came over to Ashlee sitting on the sofa and reintroduced himself again outside of the coffee shop. Ashlee couldn’t help but think about the stuff he had said to Louise about how he would like to fuck her. She also didn’t know whether he had seen the pictures of her. “How are things between J.D. and you going?” he asked not impolitely. “We’re doing great. Why do you ask?”

“I was wondering if you would like to have a cup of coffee with me sometime. At another coffee shop?” Ashlee laughed and liked being complimented. “Why don’t you go out with Louise, she seems to like you.” she said, trying to divert his questions. Joshua wasn’t expecting that, but said she was pretty hot and maybe he should. Excusing himself, he got up and walked into another room, perhaps to look for Louise.

I now took his seat next to her on the sofa. She was looking down at the glass in her hands. “You’re probably stressed because of the whole blackmail thing, huh?” “yes.”she said. Louise walked into the room and I saw her for the first time that night. Nice tight jeans that accented her round ass perfectly, tight top and pretty eyes. “Hi there, lover.” she said when she came in. I could tell Ashlee was nervous. They greeted each other distantly. We sat down and had a cup of coffee first, as if this was just a regular visit. After the second cup, Louise said: “Let’s go to the bedroom?” We had to fuck in the bedroom because the camera was there. I put the camera out of sight, but it was at such an angle that most of the room would be in the picture. Ashlee and I walked to the bedroom. I turned on the hidden camera we hoped would be the answer to Ashlee’s problem.

Louise walked in and started barking out orders. “Ashlee, I want you to sit in that chair in the corner and watch everything we do.” Ashlee sat down on the chair. Louise continued: “No, you need to be naked. Get undressed.” Ashlee started to reluctantly undress herself. She pulled her sweater over her head, and then removed her bra. I looked at her wonderful breasts and was dying to suck her little brown nipples. Ashlee unbuttoned her jeans and while she pulled it down, she pulled down her underwear at the same time. She sat down and removed her socks. Now she was completely naked, sitting in the chair waiting to see what was to unfold.

“Your turn.” she said turning to me. “Strip!’ I removed my pants and shorts, and my hard dick jumped up and pointed at Louise’s mouth. She touched my dick, which gave a shiver down my spine. Now, undress me.” she demanded. Her big breasts we’re held in a tight bra, her nipples were visible through the fabric. I

Ashlee furiously pumped her finger in her roomie's butthole like a woman possessed. She continued until Louise came again and collapsed onto the bed under me.

removed her jeans then her socks. She had painted her toenails with bright red polish. I saw the wet spot between her legs and she pulled her panties down. First I saw her pubic hair. She pulled her panties down, and finally saw her pussy in all its glory. She moved back on the bed and lay down on her back, her legs spread invitingly.

She demanded I come closer. I crawled towards her, my dick bouncing up and down. I started to lick her pussy and lapped away at her pussy, enjoying every lick. Louise had her eyes closed and enjoyed every moment of it. The tip of my tongue licked her clit, then I put my tongue in her pussy as deep as possible. This I repeated for about five minutes as Louise flooded my face with her pussy juices.

Louise looked at Ashlee. "Enjoying the show?" Ashlee was still sitting on the chair. I hadn't thought about her since I started to suck pussy. Ashlee held her knees close to her breasts and tried to keep her pussy from view. She opened her legs a little bit. "Wider," Louise demanded. Ashlee opened her legs wider. We could see her pussy was soaking wet. Ashlee started to play with her clit. Louise and I enjoyed the show. Ashlee was really getting in to it. Her finger was furiously caressing her clit. "Joshua would have loved to fuck you Ashlee," Louise stated. "Would you have liked that?" Ashlee was still fingering her own clit.

Louise started stroking my cock. She took it and wrapped her fat lips around it. God, I thought I was in heaven. I was glad Ashlee and Evan were caught fucking that night by their sister and very glad that we went for the second option Louise offered us. After sucking me off for a while Louise wanted me to fuck her. She got on all fours, and I saw her perfect ass staring back at me. Her voluptuous ass was bigger than Ashlee's. Ashlee had a small, tight butt. I put the tip of my cock at her hole, and then moved in her very slowly. I inserted my manmeat into her until it wasall the way in her soaked slit. I held it that way for a moment, getting used to her velvet pussy walls. When I heard Ashlee moan, having another orgasm, I started to fuck Louise harder.

Ashlee was watching but she got up and walked towards the bed. She slapped my ass a couple of times, until my buns were red. She sat behind Louise and me and started to caress Louise's puckered whole. She inserted a finger up her butt. I was fucking Louise and she was definitely enjoying the whole thing. I spurted a huge load of cum into Louise and she came at that moment. Ashlee furiously pumped her finger in her roomie's butthole like a woman possessed. She continued until Louise came again and collapsed onto the bed under me.

Louise pulled herself up and sat against the wall. She looked at us. She was still giving us the superior look, as if she still had the power. "Well roomie, I guess I just used you." she said. "So, you got what you wanted, now give us the photo's," Ashlee said with a stern voice.

"You didn't think I would bring them here, did you?" said Louise. Ashlee yelled back at her, "You bitch, you're not keeping your word. So..." "So what would Evan think if he saw you fucking me?" I said. "What if he saw the video we just made? Take a guess," I smiled. Louise's face turned sour. "You didn't..."

Ashlee started to laugh as she pointed to the camera hidden on the shelf. "Evan helped us hook this up and he's been watching the whole time. I wonder what he was thinking as we were fucking you?" I said with a grin. "Two can play that game." said Ashlee. To our surprise Louise broke out in a big spontaneous laugh and said "I hate you guys, and Evan too. Where is he?" We said her was in the other bedroom and, naked, we all headed over there.

Evan was already naked and hard. Louise jumped him and started on his cock. Ashlee and I walked back out and closed the door, heading back to the other bedroom.

I'm done with one night stands. You just can't be sure what went on in that person's past and getting an STD would not be cool. I like making a good connection with the one I'm fucking. Sometimes it's eye contact and sometimes it's a tongue on the tip of a cock. Either way, that is not going to happen in just one night. At least not with me!

Lonely no more

My wife and I lost our sexual passion several years ago and got divorced. But our kids have kept us together. And those same kids have been the source of good times and great times. Our 19 year old daughter, Madison, was home for her summer vacation from college. So was our neighbor’s daughter, Suki. They went to the same college and were also best of friends.

Tonight Suki was sleeping over, something the two of them do often. Once at our house, the next at Suki’s. Personally, I don’t think they’re gay with each other, but I choose not to ask. We had a nice dinner and now, unable to sleep, about midnight, I came downstairs to clean up. As I was putting a half-empty bottle of wine back into the fridge, Suki walked in with some of the juice glasses the girls had used earlier. Putting them into the sink and saying heloo to me, she took another glass and poured some wine into it.

“Suki, isn’t it kinda late for that?” I asked her. True to her name, Suki was a hot looking Asian girl. At five foot two inches this twenty-year-old had dyed her dark hair lighter and her pearly white skin glowed in the low kitchen light. Her breasts were full enough and I found myself staring. Suki was Izumi’s daughter, our neighbor for more than ten years.

She had come for dinner and we all got to talking and drinking and she asked if she could just crash here tonight.

“This glass is for you,” Suki replied. “I’ve had too much already tonight. That’s probably why I can’t sleep.” I told her.

“I know, I couldn’t sleep either, Madison is out like a light,” she said.

“Peter, I’ve been wanting to ask you some things, so are you drunk enough to answer my questions truthfully?” she asked.

“Just don’t ask something you really don’t want to know the truth about.” I said. “What did you and my mom do downstairs?” she asked without hesitation. “I… OK, I kissed her. But you can’t tell anyone. I could get in a lot of trouble.”

“I know she wants you. Even though she hasn’t come right out and said it to me, I know my mom and I know she would like you to fuck her.” Suki said directly.

“She’s been frustrated ever since dad died and her Asian traditions take hold and she’ll stay frustrated rather than confess she interested in having sex again.” she confessed.

“Take another drink, Peter. Drink up.” As a freshly poured glass touched my lips I saw Suki tip the bottle up for a quick sip. I gulped mine down. “Are you joining me now?” She poured me another. “I think you’re way ahead of me.” “OK, I think I’ll probably tell you the truth now. What do you really want to know?” I asked.

“What did you do with my mom downstairs?” Suki asked again. “It’s a secret,” I whispered. Suki stepped up close to me and put her mouth next to my ear. “What’s a secret?” she whispered back.

“That I fucked her, but she made me promise not to tell anyone, especially you. I wasn’t supposed to tell anyone,” I mumbled. “Oh well. You won’t tell will you?”

“Did you enjoy it Peter? Did you enjoy fucking

NASTY HOUSEWIVES PRESENTS
ADULTS ONLY

I’m sending this note to tell you how hot I thought Mason Moore was in your last issue. Now that looks like a lady that loves to fuck. I know there are ladies like her out there, I hope to run into one some day.

– Shane B.

my mother, you asshole?" she asked with a tone of anger in her voice. But I let the anger just slide on over me. "Oh yes, Izumi was... wonderful. Yes I did enjoy it. You know, she wants to wake up with me in bed with her, so we can enjoy each other again. Do you think I should? Would you mind if I fucked your mom again?"

With her voice back down to a whisper and her mouth next to my ear she said. "We'll talk about that later."

Suki's fingers started roaming across my arms and it began to have an effect on me. I was starting to get turned on by it all, I'm sure enhanced by the questions she was asking me. I noticed her other hand was gently rubbing across my stomach in small little circles.

"So what do you think about fucking mother and daughter?" she asked, as she let her fingers glide down across my limp member, urging it into new life. "We could fix that, but only if you don't tell anybody." I offered.

She took another quick drink of wine from the bottle, grabbed my hand and dragged me along. Without trying to be quiet she opened the guest bedroom door and pulled me in, shutting the door behind us.

"Your mom is in here," I said. "She always takes a sleeping pill. Add in the extra one I slipped her earlier tonight and she'll be asleep all night long. Now get off what little clothes you have left and get in bed." I couldn't believe what I was hearing from this little sexpot. Being too drunk to protest too much, I did as she directed and got on my back next to her sleeping mother.

Suki threw off the covers and knelt between my legs and took my semi-hard shaft into her mouth. It only took me a few seconds to realize Suki was no slouch at this. As she sucked my dick she slid her tongue up and down the underside of my shaft. Sometimes she would scrape her teeth from top to bottom and back, ending with a hard suck on the head of my penis while she stroked me with her hand.

If wasn't too many minutes before I realized that she was intending on taking me all the way like this. "If you keep this up and I won't be able to hold it." Pulling off long enough to talk she said, "I don't want you to hold it. Just let it cum Peter." She began to deep throat me to the point of no return. I grabbed her head with my hands and held her down on me. I only gave her three bursts but it felt wonderful.

I could only imagine what it would be like if I had a full load of cum to give her. I let her head go free. That was incredible. She sat up and smiled at me, wiping off some cum that oozed out of her mouth.
"Your turn," she said as she swapped places with me.

She was beautiful naked. I leaned down and kissed Suki on the mouth. I could taste the salty-sweet flavor of my cum, even more so when Suki pushed her tongue across my lower lip. I sucked on it as she toyed with me, moving her tongue in and out of my mouth in a mock fucking manner. Kissing my way down her neck and chest, I made my way to her breasts. Her nipples were firm but not hard yet. I would see they got that way later when I fucked her.

Moving downward my kisses came to her silky patch of hair. As I licked and kissed all around her pussy I stroked the insides of her thighs with my fingernails. I wet my middle finger and without stopping my licking of her pussy, slipped my finger into her hole. She was wet and didn't need anything extra from me. Curling my finger up and back towards me I massaged the inside of her vagina for a couple of minutes. She continued to moan and plead for more. I took my finger and began to push it in and out, just like I was fucking her.

She had her hands all over me, as much as she could reach, while she rocked her hips in time with my hand movements. "I'm cumming," she exclaimed. She arched her back as her orgasm swept over her. I halted my hand motions

I reached around her and with one hand pulled her panties down while the other guided my cock into her pussy.

pulling my finger out of her pussy. But a moment later I had replaced it with my hard shaft. Suki yelled as I entered her hole and pounded her hard for several minutes.

Nearly out of breath I leaned down so that my body rested on her chest, rocking my hips as fast as I could. Suki gripped my arms with her hands as I brought her to another climax just in time for my own. I covered her mouth with my kisses as we both slowly came down from our respective climaxes. After catching our breath I slid out and rolled onto my back, now caught between her and her sleeping mother.

I must have fallen asleep as I don’t remember anything else until I woke up on my right side, curled up behind Suki’s mother. I turned my head and saw that Suki was snuggled up against my back, sound asleep. I truly was caught between two beautiful females. It was kind of a turn on and my body responded. I slipped my hand underneath Izumi’s nightshirt and began to gently massage her breasts. I rotated my hips, gently guiding my erection between her legs. Still asleep, she rolled slightly away from me, more onto her stomach.

I took this opportunity and rolled with her onto my knees, spreading her legs apart. I reached around her and with one hand pulled her panties down while the other guided my cock into her pussy. It only took a couple of thrusts to wake her up. I guess the sleeping pills had worn off.

She was still tipped slightly to one side so didn’t notice her nude sleeping daughter in bed with us. “So you came,” she said, sounding pleasantly surprised. “Not yet,” I replied jokingly, “but soon.” While I fucked her from behind I reached around and stroked her clitoris.

I kept this up for a few minutes. “Oh Peter, fuck me baby, fuck me hard.” And I did, too. “You are so fucking hot. I can’t think of anything I would rather do than fuck you. Well except maybe one thing.” “What would you rather do than fuck me?” she asked.

“Fuck you with your naked daughter in bed with us. Turn to your right,” I directed her, not slowing down my thrusting at all. “I’m cumming. Pound me, you son-of-a-bitch.”

I took both hands and grabbed her hips tight. As I thrust forward I pulled her back into me, my stomach pounding hard against her ass cheeks. When I felt her pussy walls grip down on me I pushed in hard one last time and delivered a full load of cum somewhere deep in her pussy. I don’t know when Suki woke up but she was staring at us. She got up, grabbed her panties off the floor and left, shutting the door behind her.

“Oh God she saw us,” Izumi said. “Was she asleep when you came in?” “Yes, she was.” I lied. “I tried not to wake her but you are just too much for me to be quiet like that. Suki told me last night that you are divorced. All I have to say is that man was a fool to let someone like you out of his bed.”

“Ah, you’re so nice,” she said to me, followed by kissing me on the mouth. “But we better get cleaned up and get you out of here before the girls get up. I hope we have a chance of getting together again sometime, I mean just you and me, without Suki.” She laughed.

“Well all I have to say about Suki is beautiful mother; beautiful daughter. That’s a three-way I wouldn’t mind trying some day.” “Oh stop it, you pervert. You probably couldn’t handle her anyway,” she laughed again.

“Probably not, I can’t hardly handle you,” I said.

I grabbed my pajama bottoms and headed downstairs to get dressed. I then cooked up a big breakfast for everyone before the day got any older.

Now please don’t be judgemental. I’m sure any man and woman who are without spouses for years and thrust together would have done the same thing. Suki was just a beautiful, extra benefit.

Foreplay is really important to me. Gotta have foreplay before you get assplay. I can't just jump right into sex. I have to be warmed up.

christi

If you wanna be my guy, expect at least an hour of good heavy duty foreplay, Lick my pussy for a while. Lick my asshole a little longer. Then use your fingers before sticking your cock into me. Let me suck your cock and lick your balls. I'd love to lick your ass, too. Just be sure you're man enough to last, and last, and last. If you can't manage that, then maybe your brother can!

GALS: Have I fucked girls?

GUYS: Do I fuck... Oh, yes

SWALLOW: No way, I spit

I started doing sex scenes because I did a sex video with my husband and, unknown to me, he sent it in to one of the video companies. They called him asking if I was really that good a cock sucker and he told them I was. He also said that if it was okay with me, it was okay with him that I could suck other guys cocks. At first I resisted, but as I was sucking his cock one night, he filmed it again and showed it to me. I really was good and so I said okay, I'll do it. So after that, it turns out that I've sucked twenty-three different cocks in just six months.
